Application checklist for expanded pandemic unemployment benefits.

You may be eligible for these benefits if you can’t work due to COVID-19.

Some scenarios include:
- [ ] Your workplace closed, you can’t get to work, you had to quit or work part time.
- [ ] You are an independent contractor, self-employed or your wages and hours are not reported to Employment Security -- and your work is affected or your business closed.
- [ ] You need to care for your child who can’t go to school or daycare

To be eligible for expanded unemployment benefits:
- [ ] You must first apply for regular unemployment benefits and be denied. (The law requires this). If you have not already applied and been denied, read about eligibility requirements on our website. Also see the Eligibility checker and Application checklist for regular benefits.

Before you apply:
Gather information you’ll need to complete the application:
- [ ] The same personal, work history and banking information that you entered in the application for regular unemployment benefits.
- [ ] One or more of these 2019 documents, if you are self-employed, an independent contractor or if we don’t have your payroll information:
  - 1040 Single filing

How to apply:
- [ ] Download this guide for detailed help and instructions.
- [ ] We recommend that you apply online. You can also apply by phone, but call volumes are high right now and applying online will be faster.
- [ ] Using a laptop or desktop computer is best. You can use a phone or tablet, but the application might be difficult to navigate.
- [ ] Create a SecureAccess Washington (SAW) account if you do not already have one. Before creating your account, avoid common problems by reviewing the information on our website.
- [ ] Start at secure.esd.wa.gov/home. Use your SAW username and password to access the unemployment application in eServices.

Note these special instructions for entering your wage information:
- [ ] Enter only 2019 wages, even if you have not yet filed your 2019 income tax return.
- [ ] Enter only “net” earnings, not “gross” earnings. Net earnings are what is left after any deductions.
- [ ] When you are asked to enter quarterly earnings, enter 2019 earnings for Jan – March, April – June, July – Sept, and Oct – Dec.

After you apply and are approved:
- [ ] You automatically will receive an extra $600 for each week you claim benefits from March 29 to July 25, 2020. You don’t need to request it.
- [ ] Start submitting weekly claims right away— even before you’re approved.
