

# Notice to fishing-boat workers!

You might not be eligible for unemployment benefits.

## You are not automatically covered for unemployment benefits if:

- You work on a boat with fewer than 10 workers engaged in catching fish or other aquatic animals, and
- You are paid by receiving a share of the boat's catch. (This includes all work on the boat, including maintenance, repair, tendering, etc.)

## You can use wages to qualify for unemployment benefits if:

- You were paid wages instead of – or in addition to – a share of the catch, or
- If the boat had 10 or more workers.

To see if you qualify for unemployment benefits, apply online at [ESD.WA.GOV](http://ESD.WA.GOV) or call 800-318-6022 Monday-Friday 8 a.m. to 4 p.m. to speak with a claims specialist.
