

eServices for employers

eServices is the Employment Security Department’s secure website for both unemployment claimants and employers.

Employers can:

- Reply to inquiries about employees who were discharged or quit and have applied for unemployment benefits.
- Pay unemployment taxes and file wage reports using EAMS, Employer Account Management Services.
- Apply for [SharedWork](#) – a voluntary business sustainability program that provides flexibility to retain employees at reduced hours.
- Apply for the [Work Opportunity Tax Credit](#) – an incentive for employers to hire certain hard-to-place job seekers.

Create an account

You'll need to complete three steps, but you might already have completed one or more of them:

1. Create a SecureAccess Washington (SAW) account if you don't have one yet. SAW gives you access to EAMS (for paying taxes and filing wage reports), other Employment Security online services and services from other Washington state agencies.

You might already have a SAW account if you or your third-party representative use EAMS, if you have managed your employees' unemployment claims online or if you use other employer services at the state departments of Labor & Industries, Revenue or Licensing.

Go to esd.wa.gov and select *Sign in* or *Create new account*.

2. Request access to locked services within EAMS. [Instructions](#).
Note: If you want to use eServices only to apply for the Work Opportunity Tax Credit, you don't need to complete this step.
3. Sign in to eServices. Follow three steps below.

If you are an employer, you will see a link to information only about your business. If you are a third-party administrator (TPA) who represents multiple businesses, you will see the names of all your business clients, like the example below.

The screenshot displays the 'Employer eServices' dashboard. At the top, there is a navigation bar with a hamburger menu, the title 'Employer eServices', a 'Welcome' message, and a 'Settings' gear icon. Below this is a 'Home' breadcrumb. The main content area is divided into three sections: 'Alerts', 'I want to', and a client selection section. The 'Alerts' section shows '10 unread messages' and '102 unread letters', with a link to 'Switch to electronic correspondence'. The client selection section, titled 'Select a Client', features four cards representing different business locations: 'SEATTLE WA 98108-5115', 'VANCOUVER WA 98661', 'WEB JOIST', and 'CHEHALIS WA 98532-8714'. A navigation bar below the alerts and 'I want to' sections contains tabs for 'Clients', 'Online activity', and 'Notices/letters', with 'Clients' currently selected.

Select a business name to view information for that account.

If we need information from you, you will see a message under *Alerts*. Select the hyperlink to respond to our questions.

The screenshot displays the 'Employer eServices' dashboard after selecting a client. The breadcrumb trail now includes 'Client Selection'.
