Commissioner Approved Training (CAT) Application

Only complete this section if you want to apply for CAT.

CAT allows you to attend full-time training and receive unemployment benefits without looking for work. You must continue to seek work unless we tell you that we have approved you for CAT.

You may qualify for CAT if your training is full-time and:

- There are limited jobs in your main occupation and training gives you a better chance of finding work because the skills you gain will make you more employable in an occupation with openings;
- Training is required by your job; or
- You are physically unable to continue working in your current job.

CAT does not increase the benefit amount on your claim or extend the number of weeks you receive benefits. Depending on the length of your training, benefits may run out before you complete your training. You are responsible for your own financial planning that may include paying for training after your benefits run out.

1. Do you have any degrees or certificates? Yes ___ No ___. If yes, what are they and what year did you receive them?

2. List specific jobs you will be qualified to do after you complete training:

3. If these jobs are not available where you live, will you move to another area to accept work? Yes ___ No ___
If yes, what areas? _____
4. How will you pay for school and school-related expenses if your unemployment benefits run out before training ends?

5. Is this training funded or sponsored under a special grant or program, such as Workforce Investment Act (WIA), Trade Act or Worker Retraining? Yes ___ No ___ If yes, please attach proof of approval and provide the following:
Counselor's name: _____
Phone number: _____
Location: _____
Name of special grant and program: _____
6. Does your union or employer require this training? Yes ___ No ___. If yes, provide union or employer name and phone number.

7. Did you receive a Worker Adjustment and Retraining Notice (WARN)? Yes ___ No ___. If yes, when and from which employer?

8. Have employers said you need updated skills or certification to continue working in your main occupation? Yes ___ No ___.
If yes, please explain: _____
9. Do you have any injuries, illnesses, or other conditions that prevent you from returning to your main occupation? If you have medical documentation to support this, please attach a copy (not required). Yes ___ No ___. If yes, please explain:

I am applying for CAT. I understand this information may be verified and will be used to decide if I am eligible. I understand that I must immediately report any changes to my schooling to the unemployment claims center. I authorize the school, training facility and my counselor to release information to the Employment Security Department about my enrollment, participation in training, attendance and progress in the training. I understand that I must continue to seek and record my work search unless I am notified that CAT has been approved.
