Purpose of the proposal and its anticipated effects, including any changes in existing rules: To clarify when educational employees qualify for unemployment insurance benefits within and between academic terms by laying out more specific guidelines when an educational employee has a contract or reasonable assurance for future work; addressing when educational employees work for more than one employer; and explaining the impact of voluntary quits for educational employees that have a contract or reasonable assurance for future work.

Reasons supporting proposal: Adoption of the proposed rules will help keep Washington in conformity with federal laws governing its unemployment insurance program, thereby allowing Washington to continue to receive federal funding to administer its state unemployment insurance program.

Statute being implemented: RCW 50.44.050; RCW 50.44.053; RCW 50.44.055; Laws of 2018, c. 97.
