EMERGENCY RULE  
Under RCW 34.05.350 the agency for good cause finds:  
   ☑️ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.  
   ☐ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.  

Reasons for this finding: In Proclamation 20-05, Governor Inslee proclaimed a State of Emergency in Washington regarding COVID-19. The proclamation directs agencies and departments to support the Department of Health and local officials in alleviating the impacts to people, property, and infrastructure across the state.
