Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?
- ☐ Yes  ☒ No  If Yes, explain:

Purpose: In March of 2020, Congress passed the Families First Coronavirus Response Act that, among other things, authorized and funded extended unemployment benefits in response to the COVID-19 pandemic. The Department is adopting an emergency rule in order to align state rules with federal rules and guidance regarding suitable work for extended benefits.

Citation of rules affected by this order:
- New:
- Repealed: WAC 192-240-025
- Suspended:

Statutory authority for adoption: RCW 50.12.040; RCW 50.22.020

EMERGENCY RULE
Under RCW 34.05.350 the agency for good cause finds:
- ☒ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- ☒ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: As a federal-state program, Washington is required to conform with United States Department of Labor (USDOL) guidance or risk federal funding. The Families First Coronavirus Response Act provides federal funding for extended unemployment benefits in response to the COVID-19 pandemic. If the Department does not align state rules with USDOL guidance, those funds may be in jeopardy.
